INDUSTRIAL ACTION

We were all much relieved to hear that the strike for yesterday was cancelled and that the Work to Rule Directive has finally been lifted. Morning supervision and meetings with parents can now recommence.

Our insurance company, Allianz, have advised the following circular with regards to pre/post school supervision:

The school will open to receive pupils at the hour of 8:50 am and cannot accept responsibility for pupils arriving before that time. Classes will commence each day at 9.00 and end at 2:40. Parents who wish to have their children escorted home should make their own arrangements to have them met at the school gate and the person to escort them should be at the school not later than 2.40p.m. as the school cannot accept responsibility for looking after the children after that time. Please contact the office if you have any concerns or objections around this arrangement.

THREATENING EMAIL

Following the threatening emails received by a number of schools yesterday I am sharing the attached information provided by the Department of Education and Youth.

The material includes guidance for Parents/Guardians on how best to support the children at these times. See attached

PARENT TEACHER MEETINGS

The Parent Teacher meetings have been postponed until early February for all classes.

Results

Our Mini 7s Girls Footballers won all of their games last Monday and advanced to the finals which were held today. And they did not dissappoint. They won each game in their group comfortably and went on to beat Monasterevin in the final. For the 3rd year in a row our Girls have won the Co. Kildare Mini 7s football competition. A fantastic achievement
