Hot School meals

If you would like to see how much of the Hot School Meal your child has eaten please send in a lunchbox which hold the disposable food containers. Please also let us know if your child wont eat these lunches as we are noticing quite a bit of waste lately.

Assembly

Today we had a whole school assembly where our 6th classes performed the 'Dance the night' scene from the Barbie movie. A recording of this performance has been added to our school's YouTube channel.

Parking

Reminder to not park close to the school gates at home time as these areas are 'walk ways' for the children.
Please also park in parking spaces and not double park as it causes congestion.

Have a lovely weekend
