HAVE YOUR SAY ON COMMUNITY SAFETY IN KILDARE

Kildare Local Community Safety Partnership (LCSP) has launched a countywide consultation to gather the views of residents on community safety issues. Whether your concerns relate to anti-social behaviour, road safety, public spaces, crime prevention, youth services, or general feelings of safety in your community, the Kildare LCSP want to hear from you.

The results of this consultation will directly inform the development of Kildare's Community Safety Plan.

Please take a few moments to complete the survey and help shape the future of community safety in County Kildare.
