## Second Class Booklist 2023-2024

All school books, workbooks, copybooks and stationery will be provided to children through the Free Books Scheme. We have purchased all of the necessary books and stationery for your child. This scheme however does not cover the costs of Arts & Crafts Materials, Photocopying & Digital Resources so an additional expenses payment will be due to the school. The school books and workbooks are on loan to the children and must be returned to the school at the end of the school year or if a child leaves the school. It is important that books are kept in good condition so that they can be reused.

**Additional Expenses Payment: €50 - to be paid directly to the school**
