Maths Curricular Evaluation

Last Tuesday and Wednesday we had 2 Departmental Inspectors in the school doing a Curriulum Evaluation of Maths. This inspection included Level 1 inspections of Child Protection and Anti Bullying, which we passed. I'm delighted to say that the overall resuls were very positive. The inspectors concluded that the Quality of teaching in Maths in the school is of a Very Good standard while the Quality of learning and learner experiences is of a Very Good standard also. The finalised report will be published by the DES in June. Great credit goes to the team of teachers, SNA's and Secretaries for their ongoing hard work and collegiality. This dedication was also noted by the inspectors.
