Parent Teacher meetings

Most slots for next week's Parent Teacher meetings are now filled. The Home School link is such a vital aspect of a child's education and we're looking forward to getting the chance to discuss your children's progress next week. While 10 minutes is quite a short window remember that an appointment can be made any time during the year.

Science week

See attached a timetable of some of the activities that were done in the Junior and Senior classes during Science week. These can be also be done at home.

Christmas shoebox appeal

Thank you to all those who brought in shoeboxes for the Christmas shoebox appeal. We had over 50 boxes altogether. These have been collected and are currently being distributed across the world to children less fortunate.

Have a lovely weekend. Is mise le meas
