

NEWSLETTER 18/02/2026

Despite being a short week we managed to squeeze in a Bake Sale, Rugby coaching, Drumming workshops and a Talent Show. More importantly our Junior Infants had their first P/T meetings. I hope that all parents involved had positive and informative conversations with both Ms. Cleary and Ms. Bowe.

TALENT SHOW

Our Talent Show Qualifiers took place today. Out of 50 contestants we are down to 18 acts that will perform in the Talent Show finals next Wednesday.

WHAT'S HAPPENING?

- Mid Term break 19th & 20th Feb
- Talent Show finals next week
- After school hurling & football training starts next week (notices schedule to be sent out on Friday)
- Mobile library Wednesday 25th @ 1:30pm
- School Closure March 3rd for Primary Curriculum Framework staff training

ALADDIN FRAME

Currently approximately 200 people have granted permission for the sharing of photos through Aladdin Frame. For those who may have forgotten please go to the permissions tab on the Aladdin Connect app to approve/decline

WHITETHORN & PARKING

Some of the residents in Whitethorn have asked me to remind parents that this is a private housing estate and should not be used for picking up children after school.

A reminder also to be vigilant of children walking through the car park at home time. With improvements in the weather hopefully more and more people will consider walking to school.

BAKE SALE

A massive thank you to everyone who baked, bought and donated for the 6th class Bake Sale yesterday. They raised approximately €900 and will donate this to a local charity for children

Have a lovely Mid Term break. Le gach dea-ghuí
