Listening to the children using their cúpla focail around the school and the air of traditional Irish music wafting through the corridors captures the beauty of Seachtain na Gaeilge. Thank you to the local musicians who came to the school today to play a few jigs and reels for our students. Photos uploaded to Aladdin Frame.

SPORTS THIS WEEK

Our boys played in a FAI 5 aside tournament on Tuesday winning many of their games. Our girls played in the same tournament today and won 3 out of 4 games.

Our Mini 7s hurling match was postponed yesterday and will be rescheduled for next week or the week after.

MULTI GRADE CLASSES

Unavoidably, we will have to split some classes for the next school year due to increasing numbers, very small classrooms and 11 mainstream class teachers. Therefore there will be a Junior Infants, Junior/Senior Infants, 1st class, 1st/2nd & 2nd class. These will be split in accordance with our Class Split Policy. There will be no change to 3rd class upwards as we are bottom heavy.
