Well done to the Junior Infants who put down their first full week of the school year. Another big milestone for our youngest students.

On Wednesday our 6th classes were invited on a trip to the Curragh Racecourse where they met farriers, jockeys, horses, trainers and got a look around the racetrack itself.

Music generation started in the school this week. Our 3rd & 4th classes began tin whistle with Vera while our 1st & 2nd classes started drumming with Leonardo.

POST PRIMARY SCHOOL ADMISSIONS

Many of the local Post Primary schools begin accepting applications for admission on Thursday 1st October and will remain open for 3 weeks. Application forms are usually available online from that morning.

KIVA ANTIBULLYING PROGRAM

We have recently received training in the KiVa Anti-Bullying program and will begin launching it shortly in our school.

KiVa Antibullying Program was developed in Finland, with funding from the Ministry of Education and Culture. The programme is evidence-based which means that the effectiveness of KiVa has been proven scientifically. KiVa offers a wide range of concrete tools and materials for schools to tackle bullying.

I will send out more information soon on our launch day and staff will then begin implementing these tools and materials

Have a lovely weekend
